

Hidden in Plain Sight Exhibit: Spot At-Risk Behavior

**Hanover Mall
September 2015**

The “Hidden in Plain Sight” initiative helps parents spot signs of at-risk behaviors. The initiative uses an educational display of a teenager’s bedroom to test parents’ knowledge of common household items that can be substance abuse warning signs. The display is designed to encourage honest and candid discussion of the topics of underage drinking and substance abuse. The display is accompanied by a presentation from a health care or law enforcement professional. Participants must be at least 22 years old.

The event is free of charge, and is sponsored by: BlumShapiro, South Shore Hospital’s Youth Health Connection, South Shore Visiting Nurse Association, The Hanover Police Department, The Hanover Mall, The Plymouth County District Attorney’s Office, The Plymouth County Sheriff’s Department, and South Shore FACTS.
